Residential Rebate Information for Certified Appliances

ENERGY STAR® Certified Appliances	Energy Efficiency Requirement	PUD Incentive
Clothes Washer**	Current ENERGY STAR Certification	\$50
Dishwasher*	Current ENERGY STAR Certification	\$50: Expires 5:00 pm, 9/30/10
Refrigerator	Current ENERGY STAR Certification	\$50
Freezer	Current ENERGY STAR Certification	\$25

*Rebate requires use of electric water heater. **Rebate requires use of electric water heater and electric dryer.

Rebate applications must be complete and meet all requirements to be eligible. Rebates may be modified or discontinued at any time. This form will expire 9/30/11, or when rendered obsolete by the most current version, whichever comes first.

Verifying ENERGY STAR Certification

ENERGY STAR Appliance Rebates require current ENERGY STAR certification demonstrated by listing(s) on the official ENERGY STAR web site (www.energystar.gov). The PUD offers the following ENERGY STAR verification methods to help you ensure that your appliance(s) is/are rebate eligible.

Please note:

- 1) New models may take a few months to appear on the official ENERGY STAR appliance list on www.energystar.gov. Requests received for new, as yet unlisted appliances will be returned.
- 2) Asterisks * on ENERGY STAR lists are “wild cards;” they mean, insert any letter or number here.

Certification Verification: [Without the Internet](#)

- 1) Contact a participating Clallam County Appliance vendor* to request the PUD Appliance Code(s) for your appliance(s). Participating vendors have been instructed to provide our mutual customers with these codes. *Sears, Pacific Refrigeration, Home Depot, Costco and AA Appliance Service
- 2) Visit any PUD office to review their PUD Appliance Code(s) Manual. This manual, updated six times per year, contains printouts of eligible appliances from the official ENERGY STAR web site.
 - a. Select the appliance category you’re seeking.
 - b. Review the list of appliances alphabetized by brand name.
 - c. Find the PUD Appliance Code for the appliance; write it down on Side 1 of this form in the space provided next to the corresponding appliance.

Certification Verification: [Using the Internet](#)

- 1) Visit the PUD’s ENERGY STAR Appliance Rebate web page at: www.clallampud.net/conservation
 - a. Select the PUD Appliance Code link for the appliance category you’re seeking.
 - b. Follow steps 2b and 2c above.
- 2) Visit the source of the above PUD Appliance Code listings: www.energystar.gov
 - a. Under the Products heading, select Appliances.
 - b. On the Appliances page, select the appliance category you’re seeking.
 1. Under Resources (right margin of page at time of print), select the interactive search link -- or -- the Excel spreadsheet.
 2. Once you’ve found your appliance, print that page and attach it to your rebate form.

Your PUD offers a wide-range of rebates and incentives for energy-saving measures. Visit your local PUD office, www.clallampud.net/conservation or call (360) 565-3249 for information.
