Program Options & Selections:

You may select either the 100% Watts Green Power monthly billing option - OR - the purchase of blocks of Watts Green Power to be added to your monthly bill for the period you specify below.

Option 1: 100% Watts Green Power

Beginning with my next billing statement, and until further notice, please bill all my electrical usage at the Watts Green Power rate. I understand that this rate includes an addition of \$0.003/kWh to my applicable electrical rate.

Option 2: Watts Green Power Block Purchases.

Beginning with my next statement, please bill me for 100 KWh blocks of Green Power at \$0.30/block, in addition to my monthly electrical usage at the current applicable electrical billing rate. Select duration below:

- For a total of months.
Until I provide the PUD with a cancellation notice, ending my participation.

My/our selections for Green Power purchases are indicated above. This completed form updates and replaces my/our current Watts Green Program power purchases through the PUD.
