

Olympic Community Action Programs - Energy and Weatherization Assistance

Having trouble with your utility or heat costs? OlyCAP has a variety of programs to assist!

Apply for assistance on our website at: www.olycap.org

- Applications are being accepted whether you own or rent
- Program eligibility varies based on income, household size, and additional factors

LIHEAP: Low Income Home Energy Assistance Program

- Applications for the 2020-21 season began October 1st
- Qualifying types of heat include Electricity, Wood, Propane, Oil, or Pellets
- Rentals with heat included may also qualify

LIHEAP Income Guidelines

Household Size	1	2	3	4	5	6	7	8
Gross Monthly	\$1,595	\$2,155	\$2,715	\$3,275	\$3,835	\$4,385	\$4,955	\$5,515
Gross Yearly	\$19,140	\$25,860	\$32,580	\$39,300	\$46,020	\$52,740	\$59,460	\$66,180

Weatherization Assistance Program

- OlyCAP Weatherization is a free energy efficiency program that can help you reduce high energy bills while improving the comfort, safety, and durability of your home.
- Weatherization improvements include whole-house insulation, draft sealing, and heat system upgrades.
- Service is available to income-qualified occupants of both manufactured and site-built housing, whether you own or rent.

Weatherization Income Guidelines

Household Size	1	2	3	4	5	6	7	8
Gross Monthly	\$2,550	\$3,350	\$4,125	\$4,930	\$5,700	\$6,505	\$6,655	\$7,360
Gross Yearly	\$30,600	\$40,200	\$49,500	\$59,160	\$68,400	\$78,060	\$79,860	\$88,320

Not sure if you qualify?

- The income tables above are provided as a general guideline; there are deductions and exclusions allowed for various types of income that may impact eligibility. OlyCAP staff will calculate your household's actual income to determine your eligibility.
- Contact us to discuss your situation
